Education

Degree	Board	Institute	Year	CPI/%
B.Tech, CSE	NIT Patna	National Institute of Technology, Patna	2023 – 2027	7.88
Intermediate	CBSE	Kendriya Vidyalaya AMC, Lucknow	2022	93.8%
Matriculation	CBSE	Kendriya Vidyalaya AMC, Lucknow	2020	94%

Projects

- **BookHive Manager: E-Library Management System** [\[Live Demo\]](#)
Tools: React.js, Redux, Node.js, Express.js, MongoDB, Tailwind CSS, NodeMailer, JWT [\[Github Repo\]](#)
 - Architected MERN app with secure Admin/User roles, reducing manual cataloging effort by 40%.
 - Engineered modular **APIs** integrating inventory, order, transport & finance with cron jobs & email.
- **SmartStock: Smart Inventory Management System** [\[Live Demo\]](#)
Tools: React, Redux, Node.js, Express.js, MongoDB, Tailwind CSS, OpenAI [\[Github Repo\]](#)
 - Designed dashboards for Admin, Staff, and Managers, adding KPIs and audit logs for oversight.
 - Designed and implemented scalable backend services using Node.js, Express, MongoDB, and REST APIs to support inventory, transport, and finance workflows.
 - Led a 4-member Agile development team to deliver SmartStock dashboards using Redux Toolkit, Tailwind, and GitHub.

Skills

- **Programming Languages:** C, C++, Python, JavaScript (ES6)
- **Web Development:** HTML, CSS, React.js, Node.js, Express.js
- **Databases & Cloud:** MySQL, MongoDB
- **Coursework:** DSA, OOPs, Operating Systems, DBMS, Computer Networks
- **Tools:** Git, GitHub, VS Code
- **Soft Skills:** Teamwork, Time Management
- **Areas of Interest:** Software Engineering, Distributed Systems, Web Development

Achievements & Extra-Curriculars

- **Problem Solving:** Solved 850+ DSA problems across LeetCode, GeeksforGeeks, and CodeChef.
- **Hackathons:**
 - **Hack-O-Fest 2024:** Collaborated with a team to execute a MERN-based project, reviewing code and optimizing technical implementations.
 - **Walmart Hackathon 2024:** Developed **SmartStock**, leading dashboard design and embedding KPIs & audit logs to improve inventory oversight.
 - **ByteVerse Hackathon 2025:** Built **BookHive Manager**; enhanced UI/UX and implemented catalog management features for seamless user experience.
 - **Smart India Hackathon 2024:** Advanced to the national stage after clearing the PPT round.
 - **Google Cloud Arcade Program:** Completed hands-on labs in GCP (Compute Engine, Cloud Storage, IAM, BigQuery, Kubernetes).
 - **MUN:** Represented Turkey in the United Nations General Assembly (UNGA) at NIT Patna.
 - **IEEE Student Branch:** Organized coding workshops for 100+ students as Web Developer, boosting participation by 60%.

Positions of Responsibility

- **Web Developer, IEEE Student Branch, NIT Patna** Mar 2024 – Present
 - Led a team of 5 to organize hands-on coding workshops for 100+ students.
 - Boosted participation and engagement in technical events by 60%.
